Description

Description:

Lusso Campers is proud to present this Nissan NV300 (same as the Vivaro and Trafic) in great condition in grey colour.

Everything in the campervan is manufactured in house and fitted to a high standard. With an electric wind out awning fitted

to the campervan, this is the ideal vehicle for all your adventures.

With only 122k on the clock with service history but was very well looked after before it was converted

by us. We have also

serviced this vehicle and will come with 12 months mot. This campervan is ready to drive away.

With an automatic awning already fitted, we can also add a 100kw solar panel, a diesel heater, 12v Smart TV, porta potty at cost.

Please get in touch for more details.

For your piece of mind we give you 3 months warranty on the vehicle and 6 months warranty on the camper conversion.

We have been converting vans into campervans for 8 years and we manufacture everything in house.

We pride ourselves in creating the perfect camper van and always have different types in stock.

We cater for every need. For any more info please call or text on 07887 840523, 07901781773, PX welcome.
