Description

Description:
Hymer B544 2.5 non turbo deisel Fiat Ducarto base
New brakes and rear hubs last year, New cambelt 2024
New sink and cooker. Solar panels
Stucturally and mechanically sound new MOT
A few things that will need attention
1 Awning is broken, needs replacing unless you can source replacement legs
2 I took up all the floor covering, so lay down whatever you like

3 hab area seems to have electrical short circuit.

Apart from that it's all good water tight, get's about 25mpg and always starts first time
