Description

Description:

We are selling our S555 Betzy. We have owned her for the last five years and only selling as we now practically live abroad. She has been maintained by an old school Hymer enthusiast during our time. She has a new gas fire, a new original water heater, a new lithium battery, 2KW inverter, extra sockets, 100w solar panel, all new glo plugs, new callipers and discs, new heater fan, new carpets, new curtains, massive fiamma storage on top, Kayak, reverse camera, all led lighting in and out, new stiffer gas struts for bed, air suspension,fr idge works on 240/12. The sound system is all Alpine, tape, CD changer, Blue Tooth mp3s and Alpine amp. Starts first time every time, 12 months mot, 165,000 miles. Needs rear bathroom tidying. This is not mint but no expense has been spared on her. Best times we have ever had have been in this van. If it does not sell we are shipping her to the USA to tour with. £12,000 ono
