Ready to start your adventures  
Sad to see it go, had great family trips.  
Only selling due to kid's at the age of not wanting to go, shame for it to sit.  
Had very little hassle from us owning it, only new clutch and alternator replaced, been serviced each year from ownership.  
Previous owner replaced engine  
Massive big van  
Current mileage 89693 (may go up when use)  
MOT till September  
First to see will buy
