Engine Details

Fuel:	Diesel
Transmission:	Manual

Description

Description:
Reluctantly selling our much-loved **Pilote** A-**Class** motorhome as it's simply a bit too large for our needs and due to genuine health reasons.

This is a spacious 6 berth model (approx. 8.8m) with aprox 105,000 miles (very good for her age) and drives brilliantly. The engine is strong, reliable, and benefits from power steering and a knob grip—making it much easier to handle than many older motorhomes.

New tyres fitted last year, full spare on a underneath bracket. New driveshaft

Over £2,000 spent on improvements and parts

Regularly maintained and well cared for

starts and drives spot on.

Exterior could do with some TLC (purely cosmetic, no damp) have started replacing original pilote decals.

new carpet, new USB spot/reading lights.
added a front and back camera with smart tablet screen.
75lt water and waste water tanks. Dbl pull down bed above cab, lounge and rear lounge. Two seating areas.
Full bathroom with Thetford Cassette electric flush toilet,sink, mirrored cabinets, shelves, towel rail, toilet roll holder and seperate shower which has new taps, hose shower head (unused).
Privacy sliding doors and curtain.

Fly screens,blinds and curtains. 2 way sunroof with fly screen/blind in lounge/kitchen and pop up vent in rear diner/bedroom with screens and thermal cover.
Led flush ceiling lights, usb spot lights x 2 lounge x 2 rear plus 2 other lights in each.

Cab spot lights, cab storage, glove box, cab captain seats x2, usb windscreen speedometer, It's also got a new Bluetooth stereo and new car tablet which is the screen for reverse camera as well as music sat nav etc and drivers electric window.
12v/240, solar and gas. (can run totally off grid) can charge both vehicle or leisure batteries.
External shower point

External gas point for gas BBQ

1 x gas bott
