#### Description

Description:

Unique Hymer Exsis SG for sale. 2005 2.3 diesel Manual for sale.

All documents regarding full service and MOT history on file. All advocories addressed oat last MOT in November and all service documents etc available for inspection.

Near enough to 85,100 miles on clock, still being used, having to sell as injury to back doesn't allow me to use drop down bed, unfortunately.

Amazing vehicle and needs to be seen to be appreciated.

Thank you. Looking at £20,000.
