Description

Description:

Here for sale is my loved motorhome that I've owned for around eight years, the motorhome has 25,000 on the clock. It's a well maintained looked after motorhome that's been cherished, and loved by a family of three.

With just 2 registered keepers from new, this vehicle has been well cared for and will come with a fresh MOT completed before purchase for ultimate peace of mind. Front Lounge & Dining: Drivers and passenger swivel captain seats turn around to create a spacious dining area that comfortably seats the whole family. Ready for Off-Grid: Equipped with a roof-mounted solar panel, leisure battery, and smart charger setup. It has cab air conditioning and cruise control. The kitchen consists of full oven, seperate grill, multi burner and fridge freezer. It has blown-air heating, and air con all round.

The motorhome has been loved and looked after, no issues at all, it drives perfect without any faults.

4 belts - 4 seats
Full logbook
