Description

Description:
About: Situated on our 48 acre farm in rural Shropshire, Worfe Camping is committed to sustainable, eco-friendly camping and farming. We have four spacious riverside tent pitches and two panoramic pitches that are perfect for campervans, overlooking the meandering river Worfe.

Disconnect from the hustle and bustle of modern life and connect with one another and nature. Located in one of the most beautiful parts of Britain, close to the Iron Bridge World Heritage site.

On your doorstep, surrounded by nature, listen out for the owls, sky larks, and swifts. Count butterflies, identify fungi and wildflowers. Relax and chill.

Worth Noting: Each pitch has its own ensuite shower, washing up area and toilet. A fire pit, complete with free wood for evenings spent stargazing and relaxing. Also available - our home-reared, free-range sausages and eggs. Visit nearby 'Chathams Dairy' for organic milk. Well behaved dogs are welcome at Worfe Camping.
