Description

Description:

Used Elddis EVOLUTION 115 Motorhome

This is the model variant of the **Elddis EVOLUTION 115** range, available to buy at Camper UK.

Camper UK are now offering this well looked after Elddis Evolution 115 available for purchase. With the traditional UK layout of two bench seats behind the cab which also make a large double bed, this layout is really popular in under 6m length category. It's a black cab Peugeot with manual box and features

additions such as remis cab blinds, cruise control and cab air conditioning. At the rear you find a side washroom, including shower. As well as kitchen with facilities such as a microwave, three gas hobs with one additional electric, oven and separate grill. Extras fitted onto this Motorhome include: Reversing camera, Teleco TV aerial, Dometic awning, 2x bike rack and solar panel. U4

Black, 1,997 cc, Manual, 2019 69 Reg, 30,400 miles, £41,995.00.
